

**Minister of Youth and Families**  
**Memorial Congregational Church in Sudbury, MA**

Memorial Congregational Church in Sudbury, MA, is a progressive faith community with the United Church of Christ. We are searching for an energetic and creative leader for our growing youth ministry. This is a great opportunity to inspire children to explore their faith through story, music, food, and fun.

MCC continues to invest in our youth programs, which have more than doubled in participation in the last three years with a quarter of our population currently under the age of seventeen.

You will be supported by our spiritual team of staff and volunteers as you work with school aged youth and their families to help them explore the many ways to discover the still speaking God in scripture and in their everyday lives.

While the vast majority of this position focuses on the youth, should the candidate be ordained or ordainable this position may include other pastoral opportunities.

This position requires 25 hours /week for 12 months. Specific days and hours are flexible especially during summer months. Robust benefits are offered.
